

Google Group/List Serve Wisconsin Municipal GIS User Group

A WLIA Special Interest Group

WLIA has created a Google group to serve as a list serve and forum for the Wisconsin Municipal GIS User Group to use for communication. This group has been configured to streamline the communication process. You can subscribe/unsubscribe to the group on demand. No google account is needed to participate in the list serve functions. Please be aware that posts to the group will not only be sent to all subscribers, but also posted online for anyone to see.

Accessing Groups Online Page

Navigate to <https://groups.google.com/a/wlia.org/forum/#!/forum/mugg>

If your group membership is tied to a Google account, you will be able to interact with the group on the page. If you do not have a Google account, you will have read only access.
